

Situation and Reaction - Solved Examples

In a situation reaction test, a situation is presented and following this four reactions are stated. You have to find out which of the above reactions is the most suitable option for the given situation. This test judges the reasoning power of the candidate and his/her ability to act properly and promptly to a situation that may arise in an emergency.

In the following questions find the most appropriate alternative as the answer

Q 1 – You are spending your holidays in a picnic spot and suddenly you see a money purse which have his owner's photo and contain around 1000 rupees.

Options :

A - Take 1000 rupees and put the purse where it is.

B - Take the purse and get away from there.

C - Contact your nearest police station and deposit it there.

D - Make a research by uploading the photo of the owner on the internet by different social media and try to find that person.

Answer - C

Explanation

You are not a thief so you will not steal money and there is no time in this world for us to make a research about the person who has lost his purse. So the best possible way is to deposit the purse with all the items in it at the nearest police station in that picnic spot.

Q 2 – While playing cover drive shot, one of your friends has pointed out your mistakes and shared it with you.

Options :

A - Feel thankful.

B - Beat him with your bat.

C - You will cry out.

D - You will be ashamed of it.

Answer - A

Explanation

If anyone is pointing out our mistakes and discussing it with us then we should be thankful towards him.

Q 3 – While walking on a street, you have seen two men are bothering a girl.

Options :

A - Stand in a corner and enjoy the proceedings.

B - Get out of there as it is none of your business.

C - Become a hero by hitting those two men with anything you got and save the lady.

D - Immediately reach to them and help the girl from strangers.

Answer - D

Explanation

In this situation option D is right.

Q 4 – You are moving on your motorcycle with your friend and have seen that two person on bike came and snatched necklace from a lady.

Options :

A - Chase the bikers and inform the police at time to time.

B - Talk with the lady and try to calm her down.

C - Get away from there.

D - Ask other people to chase those thieves.

Answer - A

Explanation

Informing the police and chasing the thieves where they are going is the best possible reaction which should be done by you.

Q 5 – When you reached the railway platform to catch the train to Bhubaneswar you have seen that the train is about to start and you have not bought the ticket yet.

Options :

A - Catch the train and in the next stoppage inform the T.T.I about your problem.

B - Wait for the next train.

C - Don't enter the train without any ticket.

D - Rush to the train and when the TT comes hide yourself in the toilet.

Answer - A

Explanation

I know many of college students may prefer option D but it is not correct if you will get caught then fine will be imposed so the best option is enter the train and inform the TT about your problem.

Q 6 – While answering the questions in mathematics exam, you got stuck in a question.

Options :

A - Request the examiner to help you to solve the question.

B - Try to bluff in the answer sheet as you are a smart guy.

C - Be positive and try to answer as much as possible, if not able to answer then simply move to the next question.

D - Staple a hundred rupee note in the answer sheet.

Answer - C

Explanation

If you are not able answer a particular question in the exam then it is good to move to the next question. There should not be any bluffing in the answer sheet.

Q 7 – You and your neighbourhood friend are playing in the garden area and your friend was bitten by a snake.

Options :

A - Hold your friend and try to set him free from snake.

B - Use like wood or plastic to kill the snake.

C - Rush to your parents and elaborate what has happened. They will take your friend to hospital and you keep your eye on the snake.

D - Cry loudly.

Answer - C

Explanation

The only way to save your friend in this situation is to rush to your parents and elaborate what has happened. They will take your friend to hospital and you will keep your eye on the snake.

Q 8 – A core company is coming to your college to recruit 4th year mechanical, electrical, and civil students.

Options :

What should be important for a candidate?

A - To know his cost to company.

B - Career opportunities in this company.

C - Opportunities for a new comer to grow in the company and represent his ideas and thoughts.

D - All the above are equally important.

Answer - D

Explanation

All the options are important as a new company is coming to the college, a student must know the salary structure, growth prospects and career opportunities.

Q 9 – The thieves and burglars in your city are increasing in great number and one night you are alone in your house. Suddenly you hear a sound from the kitchen room.

Options :

A - You will go out and shout outside of your home.

B - You will telephone either your neighbour who lives beside your house or a good friend of yours.

C - You will pray to god to get you out of this situation.

D - You will run out of your home and reach to the nearby police station.

Answer - B

Explanation

The best way to react in this situation is to call a friend in neighbourhood because if you will run to nearby police station then there are chances that the thief will come into your living room and steal valuables.

Q 10 – You are unemployed and you have seen an advertisement in a local newspaper who is offering jobs in Dubai by taking charges of 100000 rupees.

Options :

- A - You will rush to that office and immediately deposit 100000 rupees.
- B - First make a research about that company and take appropriate steps.
- C - Call to your unemployed friends and ask them to deposit money there.
- D - Request the officials to give you a concession in the amount of fees.

Answer - B**Explanation**

The correct option is B because first we have to be confirmed about the genuineness of the company. We cannot give money to someone by just looking at the advertisement.
